introduction: Why did God send the Messiah into the tribe of people who descended from Israel's fourth son Judah? Why not a tribe that descended from one of Israel's three oldest sons?

1. The \_\_\_\_\_ consequences \_\_\_\_\_ of individual acts of sin can remain for a lifetime, and even extend to future generations (Genesis 49:1-4).

Determine you will "plant" seeds of \_\_\_godly\_\_\_\_\_ living. None of us can change the past, but with God's help you can (and should) live a holy life of obedience to Him from now on.

2. Don't let anger over the sins of others cause you to \_\_\_sin\_\_\_\_\_ in response (Genesis 49:5-7).
