**Wonderful Promises in God's Word**

**Psalm 46**

**May 21, 2023**

introduction: The Psalms express the whole spectrum of human emotions, from grand declarations of praise to God to bitter groans of agony caused by trouble and affliction. The Psalms are very honest; they express not just the triumphs but also the hardships and struggles of God's people. The Psalms describes the hopes of people who often had very little to cling to in life but the Lord Himself. And the truth is that the living God is vastly greater than any obstacle you'll ever encounter; He is able to carry you through all the hardships and struggles of life.
